

Position: SITE CIVIL SUPERVISORS (pool for future opportunities)

Tecnicas Reunidas (“TR”) Group is an international general contractor engaging in the engineering, Procurement and construction of various types of industrial facilities for a broad spectrum of customers throughout the world, including many of the national oil companies and multinational companies. Head of operations located in Madrid, Spain.

TR Canada E&C Inc. manages the Group’s operations in Canada from its offices in Calgary, AB.

Summary: Reporting to the Engineering Manager, the ideal candidates will have over 3 years of experience in O&G as Site Design supervisor. Candidates must be organized, multitaskers and able to work effectively in a fast-paced dynamic environment.

We will require PEO and construction experience for future opportunities. The workplace may be Ontario Site office so construction and Petrochemical experience is highly valued.

Responsibilities (include but not limited to):

- Review and recommend actions on subcontractor’s work and claims
- Interact with other Project disciplines, Site Field Engineering and Construction teams, HQ and other TR Offices
- Provide technical support and advice.
- Perform other related duties as required.

Required Skills:

- Experience in Oil and Gas downstream and petrochemical industries, a must.
- Detail oriented, well organized, problem-solver, time management, great communications skills.
- Able to work in a dynamic team environment and under tight time constraints.
- Willing to travel, when necessary.

Education and Experience:

- Completion of Engineering Degree.
- At least 3 years’ experience in O&G Projects. International EPC and LSTK contracts, an asset.

Number of Positions: Building pool of candidates for future Project opportunities.

Hours of work (shifts): 40 hours/week. Permanent – Full Time.

Salary range: Wage is dependent on successful candidate’s experience and education.

Benefits: Medical, Dental, Life Insurance, and RRSP's Plans.

Location: Ontario, Canada

How to apply:

Qualified applicants are asked to email their resume with “**Site Civil Supervisor**”, on the subject line. We thank all applicants for their interest and those qualified will be introduced in TR Canada E&C’s database for future opportunities.
